Splash page and ad design have a one-time set up fee of \$50, the fee includes one design review and one revision prior to posting. Modifications to a posted splash page can be made for a fee of \$25 for each modification. Graphic design if no artwork or business logo is available is also available for an additional fee.

Please contact our advertising consultant, Kim Carignan at [kim@gnggazette.com](mailto:kim@gnggazette.com) or simply mail your order form to the address shown.
